

GreenAider Garden Project

Volunteer Information

Groundwork Hertfordshire is the county's leading environmental charity working alongside the whole community to transform places and lives.

The GreenAider Garden Project is a free service for the elderly and other vulnerable adults who need assistance to get control of their garden.

What is the time commitment?

The tasks that Groundwork run will last up to 3 hours depending on the work required. If volunteers want to continue helping out on a more regular basis you can arrange your visits with the resident to suit you.

Where are the tasks?

Tasks will take place in Watford and Dacorum

Other information

- ✓ Training and health and safety information will be given to all volunteers
- ✓ A great opportunity to meet new people
- ✓ Get some exercise whilst doing something worthwhile
- ✓ Help a member of your community
